## GENERAL SPECIFICATIONS

| Model                                                 | YFS200U                                            |
|-------------------------------------------------------|----------------------------------------------------|
| Model Code Number                                     | 2XJ                                                |
| Engine Starting Number                                | 2XJ-000101                                         |
| Frame Starting Number<br>(Except for USA and Canada)  | 2XJ-000101                                         |
| Vehicle Identification Number<br>(For USA and Canada) | JY42XJW0 * JC000101                                |
| Dimensions:                                           |                                                    |
| Overall Length                                        | 1,695 mm (66.7 in)                                 |
| Overall Width                                         | 1,035 mm (40.7 in)                                 |
| Overall Height                                        | 1,040 mm (40.9 in)                                 |
| Seat Height                                           | 740 mm (29.1 in)                                   |
| Wheelbase                                             | 1,100 mm (43.3 in)                                 |
| Minimum Ground Clearance                              | 120 mm (4.72 in)                                   |
| Basic Weight:                                         |                                                    |
| With Oil and Full Fuel Tank                           | 150 kg (331 lb)                                    |
| Minimum Turning Radius:                               | 3,000 mm (118 in)                                  |
| Engine:                                               |                                                    |
| Engine Type                                           | Air Cooled 2-Stroke                                |
| Induction System                                      | Reed Valve                                         |
| Cylinder Arrangement                                  | Forward Inclined Single Cylinder                   |
| Displacement                                          | 195 cm <sup>3</sup>                                |
| Bore x Stroke                                         | 66 x 57 mm (2.598 x 2.244 in)                      |
| Compression Ratio                                     | 6.6 : 1                                            |
| Starting System                                       | Kick starter                                       |
| Lubrication System:                                   | Separate Lubrication (Yamaha Autolube)             |
| Engine Oil                                            | Yamalube 2 or Air Cooled 2-stroke Engine Oil       |
| Transmission Oil                                      | Yamalube 4 (10W30) and SAE 10W30 Type SE Motor Oil |
| Oil Capacity:                                         |                                                    |
| Oil Tank (Engine Oil)                                 | 1.3 L (1.1 Imp qt, 1.4 US qt)                      |
| Transmission Oil                                      |                                                    |
| Periodic Oil Change                                   | 0.65 L (0.57 Imp qt, 0.69 US qt)                   |
| Total Amount                                          | 0.70 L (0.62 Imp qt, 0.74 US qt)                   |
| Air Filter:                                           | Wet Type Element                                   |
| Fuel:                                                 |                                                    |
| Type                                                  | Premium Gasoline                                   |
| Fuel Tank Capacity                                    | 9 L (1.98 Imp gal, 2.38 US gal)                    |
| Fuel Reserve Amount                                   | 2 L (0.44 Imp gal, 0.53 US gal)                    |
| Carburetor:                                           |                                                    |
| Type/Quantity                                         | VM26SS/1 pc.                                       |
| Manufacturer                                          | MIKUNI                                             |
